Elementary students, when you leave the building at the end of the day, you need to immediately walk on to your assigned bus. Kids are playing in the lawn beside the buses and we simply can't allow this. There's too much traffic in our parking lots at that time of day for you to be running around out there. Help us keep you safe by going directly to the bus after you leave our building. Anyone who breaks this rule will be speaking to Mr. Cocco or Mr. Eichhorn.
