

The December 13th 2016 PTO meeting was called to order at 3:45pm by President Joanne Polfus. Secretary Laura Haddock was present and Susan Jackson was absent. Several HS students were in attendance completing an assignment for their government class.

The minutes from our November 7th meeting were read by Laura and approved by Joanne and seconded by Andrea Cheney. The Treasurer's report was skipped as Susan was absent.

The Santa Secret Shop ran better this year than our first year. We had several parent volunteers as well as High School students which helped make in a great success. Preliminary earnings are roughly \$300.

The Carney Gear fundraiser did pretty well. Product will arrive December 20 in time for Christmas. We will also look into getting a dri fit material so people can wear them during practices and working out.

In new businesses, we had a request from Mr Eichorn to help fund the elementary trip to the movies. Total cost was \$600 and we agreed to donate \$300. The kitchen also requested \$304 for new bowls. We approved the full amount.

We then moved on to the scheduling of supervisors in the concession stand for the games scheduled during January-March. We discussed the addition of candy with peanuts and peanut butter as we are now a nut aware school. Suggestions included Peanut M&Ms and Recces Peanut Butter Cups. Both have been ordered for the concession stand.

We started discussing ideas for March is Reading Month. We will further review the following at our next meeting: Read-a-thon, Guest Readers such as Aaron Rodgers from the Green Bay Packers and other MI authors, Book Munchers, inviting a traveling play group, Dress up days and ways we can involve the HS students.

Our meeting was adjourned at 4:19pm by Joanne and seconded by Laura. The next meeting will be January 17, 2017

Respectfully submitted,

Laura Haddock
PTO Secretary
