Students are reminded to be quiet and respectful during the awards ceremony today. Remove your hats, and do not use your cell phones. We will have plenty of parents in the crowd today and it's important that all of you give people a good impression of our school. It's been a good year and let's make sure we have a strong and positive finish.

The following students are the winners of the kitchen daily drawings: Aubrie Hansen, Kinsey Thiry, Carly Imhoff, Brayden Kasbohm & Maguire DeBacker

The BetaWolves will be helping with garbage pickup along the highway on Thursday at 4:30pm. All are welcome to help.
