Students, as part of our October School Attendance Drive, we wanted to make you aware of the following statistic: According to the National Council on Student Absenteeism, each time a student is absent for one day of school, it takes him/her the next three days to catch up with the rest of his/her class and learn what was missed. One of the best ways to not fall behind in your classes, then, is to just make sure that you're here each and every day. Keep pace with your classmates and remember, attend school today, achieve your dreams tomorrow.

Credit Recovery Classes will begin on Tuesday, October 16th from 3:30-6:30. Any students who need to sign up for credit recovery should see Mrs. Jenkins as soon as possible.

Congratulations to all of our FFA members on doing a fantastic job at the Regional AG and Environmental Decathlon! Bringing home medals and 3rd place trophy were: Lizzy Haddock, Nathan Piche and Mae Potvin; and 4th place went to Liana Blahnik, Damion Clemo-Johnson and Sam Seymour!

11th grade students, today you will be taking a practice SAT tests during 1st-4th hours. Please report to Mr. Jewell's room. 7th graders, your 1st hour class will be in Ms. Kittaka's room. 9th graders, your 4th hour class will be in the library.
