Students, one of the hardest lessons I've had to learn is that the decisions I make today can have a profound and lasting effect on the quality of my life tomorrow. It took me a very long time to understand that if I consistently make good choices and surround myself with good people, then good things are likely to happen to me. It sounds so simple, but it's also 100% true. This is the biggest reason why we ask you to follow the rules. Not to benefit us, but to benefit you. If you get in the habit of doing what is asked for you to the absolute best of your ability, you simply won't believe how bright your future can be. It's hard to see it when you're young, but it is very much the way life works. Make good choices today and achieve your dreams tomorrow. I believe in all of you, and I know you can do it.

**Fan bus leaves at 3:30 sharp**

If we keep getting wrappers and empty pop cans/bottles littering the school grounds, we will consider closing campus at noon time. Throw your trash in the garbage and pick up trash when you see it.

The next Carney Community Blood Drive is scheduled for Monday, Nov 12, 12:00 - 5:00, in the Fellowship Hall at the Carney Evangelical Free Church. This is a scholarship drive, meaning that the NHS students involved have the opportunity to receive scholarship money from the Red Cross based on how many units are collected. Please consider donating, if you are able to. There is a shortage, so every pint helps! Plus: every donors gets a free t-shirt!!!

Anyone interested in taking stats/manager duties for girls' basketball please see Mr. Linder
