Santa Secret Workshop

Friday: GBB-Home-Stephenson 5:15pm

Any student in grade 9-12 who would like to participate on the Hi-Q team this year is strongly encouraged to attend a quick meeting in the library today at 12:15. The schedule for the year was just released yesterday and we actually have a practice match in Marinette on Thursday, December 13th. Please make a point to be at this meeting!

Starting today we will be allowing all Carney students in grades K-12 to attend home sporting events for free. We hope that this leads to an increase in attendance at our games and helps to boost overall school spirit. While we want as many of you as possible up in the stands cheering our teams on to victory, we want to emphasize that the exact same rules of conduct still apply to all students. You need to pass by the ticket seller to enter the event. You may not leave the building once you've entered, you may not linger in the hallways and so on and so forth. We are thrilled to be able to spare everyone the cost of admission to our games, but we need everyone to understand that our expectations for your behavior have not changed. Thanks and we hope to see you up in the bleachers tonight.

The Tivoli Theater on Friday and Saturday at 6:00pm and 2:00pm Sunday is showing Instant Family.
