The items on the lost and found table are going to Goodwill on Friday that is not claimed. Please check it out and make sure you don't have any items on the table.

Students, we hung a few pictures around the school yesterday promoting the importance of academics so be sure to stop and take a look as you pass by them in the hallways. One of them reads, in part: "If you really want to learn, there is no one in the world who can stop you". That's a very powerful statement and the beautiful thing about it is that it is completely true. You and you alone are completely in control of your desire to learn something new today, to become more intelligent, and to move one step closer to where you want to be in life. Think of the power you have, literally, no one but you can prevent you from learning. All you have to do is want it. Regardless of the choices you've made in the past, today is a brand new day. Take advantage of the learning opportunities that come your way today, tomorrow, and beyond. It won't be long before you end up exactly where you want to be. Go Wolves!!!

All Carney students in grades K-12 are able to attend home sporting events for free. We hope that this leads to an increase in attendance at our games and helps to boost overall school spirit. While we want as many of you as possible up in the stands cheering our teams on to victory, we want to emphasize that the exact same rules of conduct still apply to all students. You need to pass by the ticket seller to enter the event. You may not leave the building once you've entered, you may not linger in the hallways and so on and so forth. We are thrilled to be able to spare everyone the cost of admission to our games, but we need everyone to understand that our expectations for your behavior have not changed. Thanks and we hope to see you up in the bleachers tonight.

The Tivoli Theater on Friday and Saturday at 6:00pm and 2:00pm Sunday is showing Instant Family.
