A reminder, any student caught skipping will face an automatic half-day suspension for the first offense, and your parents will be notified immediately. We will be watching this very closely in the weeks to come. If you skip class, you're going to get caught. Additionally, we are working on setting up our PowerSchool system so that parents receive a phone call the moment an unexcused absence is entered in by your teacher, and that will be the norm from now on.

Students, this week many of you will be taking a second round of practice tests to help you prepare for the state-standardized assessments you'll be taking later this Spring. Please put forth your absolute best effort on these tests. While they are not graded, we do closely examine your performance on them and then we use that data to make necessary adjustments to our curriculums. Our only goal here is to help all of you reach your full potential, so please take this test seriously, use the test time wisely, carefully read all questions, and just give us your A-game on this one. Thank you in advance for your help and cooperation with this. Go Wolves!

Students, our practice test schedule for the week is as follows:

Today, the 8th Grade will be testing during hours 1-4 in Mrs. Wehner's room. Mrs. Wehner's 3rd hour class can go to Mrs. Jokela's room. Her 4th hour class can go to Mr. Jewell's room.

Also today, the 9th grade will be testing during hours 1-4 in Ms. Kittaka's room. Her 3rd hour class can go to Mr. Jewell's room

And finally, the 6th grade will be taking their M-Step Math test during 2nd hour in Mrs. Jokela's room

The office is selling bags of chips for \$0.50 each

Mary Poppins is playing at the Tivoli Theatre in Stephenson Friday and Saturday at 6:00pm and Sunday at 2:00pm
