

**Carney-Nadeau Public School
Extended COVID-19 Learning Plan
Reconfirmation Meeting
Required Every 30 Days After Initial Plan Approval**

Agenda:

- Reconfirm how instruction is going to be delivered during the 20/21 school year
- Review weekly 2-way interaction (attendance) rates
- Public comments on the Extended Learning Plan

Reconfirmation Meeting for October 21st, 2020

Reconfirm how instruction (Return to Learn Plan) is going to be delivered during the 20/21 school year: Here are the most up-to-date statistics regarding the local prevalence of COVID 19. These were shared this morning by Mike Synder at the Delta County Health Department:

Menominee County
419 Lab Confirmed Cases
75 Probable
3 Deaths
262 Recoveries
418 cases per million people (4th highest in Michigan)
4.9% positivity rate (
Level E Risk Determination
87 tests per day

Additionally, last week, we had one positive case within our building. As you know, we closed the following day (10/13/20) to deep clean and conduct contact tracing. We then resumed classes on the 14th. Presently, we have 21 students learning at home due to "close contact" quarantines. A fair portion of those students (13, I believe) are cleared by the Health Department to return to school on Friday, October 23.

At this time, I feel we can continue to offer in-person instruction and our online distance learning.

Document Public Comments:

A member in the audience noted that the current masking requirements are set to

expire at the end of October. She then asked what our school's policy would be with regard to masking should the current order not be renewed.

Review Weekly 2-Way Interaction Rates

<Month>	100% Remote*	Not 100% Remote*
Week 1 8/31-9-3	97.6	100
Week 2 9/8-9/11	94.9	100
Week 3 9/14-9/18	97.3	100
Week 4 9/21-9/25	90.0	100

Week 5 9/28-10-2	90.0	100
Week 6 10/5-10/9	90.0	100
Week 7 10/12-10/16	88.1	100
Week 8 10/19-10/23		
Week 9 10/26-10/30		

7 week average = 92.6% attendance rate

Reconfirmation Meeting for November 18, 2020

Reconfirm how instruction (Return to Learn Plan) is going to be delivered during the 20/21 school year: Here are the most up-to-date statistics regarding the local prevalence of COVID 19. These were shared this morning by Mike Synder at the Delta County Health Department:

Health Department Meeting Notes from November 18, 2020

Delta County Numbers:

358 Positive cases this week
1894 Lab Confirmed Cases
249 Probable
55 Deaths
1192 cases per million people (3rd highest in state)
20% positivity rate
Level E Risk Determination

Menominee County Numbers:

141 Positive cases this week
1007 Lab Confirmed Cases 90 Probable
11 Deaths
501 Recoveries
732 cases per million people
16% positivity rate
Level E Risk Determination

Marinette County:

24% Positivity Rate
2549 Confirmed cases
24 deaths

Symptoms:

Fatigue: 64%

Cough: 63%

Headache: 78%

Congestion: 56%

Muscle Ache: 48%

Runny Nose: 45%

Fever: 42%

Hospital Capacity/Report:

Marinette:

89% Capacity for Hospital Beds

ICU at 90% capacity

Major staffing issues, lots of staff out with COVID, COVID Exposure, staff now working with COVID Exposure and relying on frequent testing of staff

OSF:

10 COVID Patients, 2 in ICU

Testing traffic beginning to go down

Major staffing issues, ambulance service (Rampart) has major staffing issues

Marquette:

30 COVID Patients, 16 on ventilators or high flow oxygen

Staffing is a major problem, especially with testing

In addition to these numbers, within our building we currently have seven staff members on quarantine (two teachers, five support staff). We have four students currently on quarantine as well.

In accordance with the State Mandate issued on the evening of Sunday, November 15, starting today (Wednesday, November 18) Carney-Nadeau Public School has transitioned all students in grades 9-12 exclusively to online learning. Students in grades K-8 can still attend in person instruction each school day. As per the plan we formulated in response to the letter from the local Health Department that all schools in Menominee and Delta counties received last week, our school is closed for in-person instruction during the entire week of Thanksgiving (Nov 23-27) The current state order extends through December 8th. We will of course follow it until it expires barring any additional changes or unforeseen circumstances.

Reconfirmation Meeting for December 9, 2020

Reconfirm how instruction (Return to Learn Plan) is going to be delivered during the 20/21 school year: Here are the most up-to-date statistics regarding the local prevalence of COVID 19. These were shared this morning by Mike Synder at the Delta County Health Department:

Health Department Meeting notes for Dec 9, 2020

Delta County Numbers:

153 Positive cases this week
2326 Lab Confirmed Cases
344 Probable
65 Deaths
529 cases per million people
9.5% positivity rate
Level E Risk Determination

Menominee County Numbers:

95 Positive cases this week
1288 Lab Confirmed Cases
165 Probable
18 Deaths
547 cases per million people
6.7% positivity rate
Level E Risk Determination

Within the school, as of today (12-9-20) we have no staff members who are either out with COVID themselves or who have been identified as the close contact of someone who does. We currently have nine students who are quarantined due to being named as close contacts.

In accordance with the directives issued on Monday, December 7 by the State Health Department, we will continue to offer in-person instruction on a daily basis to all students in grades K-8. Students in grades 9-12 will continue to do distance learning from home. The order that they do so is set to expire on December 20. As we have previously announced, all students will be distance learning on December 21-22, so, in effect, high school students will not be able to return to the classroom until after Christmas Break on January 4 (and, indeed, the current order could very well be extended between now and then.
