**Thursday:** NO SCHOOL

**Friday:** NO SCHOOL

The office is offering a cash reward to any student with information regarding the destruction of the paper towel dispenser in the boy's upstairs bathroom that occurred on Thursday, November 18th. Anyone with information is encouraged to speak to Mr. Cocco as soon as possible. Your name will be kept strictly confidential. To the guilty party, know that we will be contacting the police and pressing charges for destruction of public property. This will be true for any vandalism that occurs at this school. This is your building. Treat it as you would your own property because that is essentially what it is.
