Students, next week we will be holding the first of our "Good Choices Awareness Weeks". This is something we'll be doing one time per marking period for the remainder of the year, usually during the week leading up to a major holiday or extended break. The week preceding Halloween tends to be one of the more stressful and chaotic times during the school year, so our goal here is to give you reminders and rewards for making good choices and to provide some positive outlets to burn off some energy and relieve some stress. In fact, we're going to make this a schoolwide competition where the winning grade levels in both Elementary and High School will receive a donuts and juice breakfast on the morning of Monday, October 31st. There will be three different ways you can earn points for your class, and we'll have more details about each of them on Wednesday, Thursday, and Friday of this week. Stay tuned!

There is a penny war for Foster Grandparents. Bring your pennies to add points for you class, bring silver to take away other classes points.

There is to be no eating or drinking in the gym. If this continues the gym will be closed during lunch!!
