Friday: NO SCHOOL

End of 1st Marking Period

Thank you to all students who wore their "Make Good Choices" wristband to school today, and thanks, too, to those of you who are participating in today's dress-up day. One of the hard truths of life is that it often takes thousands of good choices to secure a bright future, but it only takes one major bad decision for some doors to be permanently closed to you. The good news is that once you get in the habit of making good choices, it starts to become something you no longer need to think about but automatically just do. You wake up on a weekday, and you go to school. You get an assignment in class, and you turn it in. At the time, these sorts of actions don't really seem like that big of a deal but over time they add up. If you've spent 13 years of school putting forth your best effort, you're going to keep doing so well after you graduate and you're soon going to find yourself living the sort of life you want. We hope you have fun this week, but our larger goal with all this is to help you establish the kind of good habits that are necessary for future success.

Next Monday is Halloween! The middle and high school classes will be having a Trunk or Treat competition. Each class will be decorating a vehicle for the elementary to come Trunk or Treat in the afternoon. A winner for best trunk will be chosen and announced Tuesday morning. See the posters around the school for the rules.

Any students in grades 7-12 who would like to be a CNBA coach see Mr. Polfus. CNBA starts this Saturday.
