Friday: NO SCHOOL

End of 1st Marking Period

Saturday: CNBA, gym opens at 8:00am, games start at 9:00am

Students who drive to school are to enter and exit the student parking lot on the road that leads past the Free Church. This is the only entrance and exit you are allowed to use and there are no exceptions. Any student seen driving into or out of the parking lot using the entrance by the bank or by Hotflame, will lose their driving privileges for a month. The second offense will cost you your driving privileges at school for the entire year. There will be no warnings. We have little kids, parents and staff members on that part of our campus at the start and end of the school day and there is no reason for student drivers to use that road

Thank you to all students for helping to make our first Good Choices Awareness Week a success. Let's bring the week to a strong finish today, by keeping an open mind and good attitude in the classroom, by stopping to think before we act, and by just taking a moment for a few deep breaths anytime we're feeling frustrated or stressed. Spend the day making good choices and have a wonderful weekend.

Next Monday is Halloween! The middle and high school classes will be having a Trunk or Treat competition. Each class will be decorating a vehicle for the elementary to come Trunk or Treat in the afternoon. A winner for best trunk will be chosen and announced Tuesday morning. See the posters around the school for the rules.

Anyone who would like to do clock at tonight's volleyball game please see Mr. Polfus. This is a paying job.
