Coach Jenni and Coach Tessa

Students who drive to school are to enter and exit the student parking lot on the road that leads past the Free Church. This is the only entrance and exit you are allowed to use and there are no exceptions. Any student seen driving into or out of the parking lot using the entrance by the bank or by Hotflame, will lose their driving privileges for a month. The second offense will cost you your driving privileges at school for the entire year. There will be no warnings. We have little kids, parents and staff members on that part of our campus at the start and end of the school day and there is no reason for student drivers to use that road.
