Students, at 2:00 pm on Friday, November 11, we will be having an assembly in our gym to honor local veterans. In years past, we have always been very proud of the manner in which all of you have conducted yourselves at this assembly. We expect and very much appreciate a similar manner of conduct this year. There will be a number of individuals at this assembly who have made great sacrifices for our country, and we need to show them the respect they deserve by being attentive and quiet for the entirety of the proceedings. This has never been a problem in the past, and we've always received numerous compliments about your behavior. Let's continue to follow suit on Friday and keep up the good work. Go Wolves
