Thursday: Santa Secret Shop

BBB at North Dickinson 5:30pm, bus leaves at 3:30pm

NWTC- 11-12th grade 9:20am

Friday: GBB-Home-Stephenson 6:00pm (Varsity only)

Saturday: Men's Basketball Tournament

Sunday: Men's Basketball Tournament

Students, the Healthy Youth Coalition has secured a large grant to fund the installation of several Vape Detectors here at our school. Several installers will be here in our building tomorrow morning to get them mounted and calibrated. They will begin in our upstairs restrooms and then work their way downstairs and will have signs hung on the doors of the rooms in which they are working. If they are installing the detectors in the upstairs restrooms, you will need to use the facilities downstairs, and vice versa. Installation should be completed around noon. Vaping will cause these detectors to instantly send an email and text to school personnel and law enforcement officials who can then access video footage from hallway cameras to determine who has entered and/or exited the room at the time the detector sent the alert. These devices also instantly send alerts if tampered with. Those caught vaping will be suspended, and offenders could face legal consequences as well. This message is a courtesy to let you know what is coming. There will be no further warnings.

Congratulations to our three-point T-shirt design contest winners-Cullen Kasbohm and Alyssa Schalaus. Shirts will be thrown out at our varsity basketball games or can be purchased in the concession stand for \$20. Thanks to all who submitted a design. We had some tough choices to make. Thanks for supporting your PTO.
