Friday: GBB-Home-Stephenson 6:00pm (Varsity only)

Saturday: Men's Basketball Tournament

Sunday: Men's Basketball Tournament

Students, the Healthy Youth Coalition has secured a large grant to fund the installation of several Vape Detectors here at our school. Several installers will be here in our building tomorrow morning to get them mounted and calibrated. They will begin in our upstairs restrooms and then work their way downstairs and will have signs hung on the doors of the rooms in which they are working. If they are installing the detectors in the upstairs restrooms, you will need to use the facilities downstairs, and vice versa. Installation should be completed around noon. Vaping will cause these detectors to instantly send an email and text to school personnel and law enforcement officials who can then access video footage from hallway cameras to determine who has entered and/or exited the room at the time the detector sent the alert. These devices also instantly send alerts if tampered with. Those caught vaping will be suspended, and offenders could face legal consequences as well. This message is a courtesy to let you know what is coming. There will be no further warnings.

Men's basketball tournament here this Saturday and Sunday. Looking for a few people to work, paying jobs. Starts Saturday 8:30am-8:30pm. Sunday 8:30am-4:30pm, please see Mr. Polfus if interested.

Homecoming is Saturday, December 17th starting at 6:30 with the grand march at 7 pm. The homecoming game is Monday, December 12th against Stephenson with the crowning taking place between the JV and Varsity games.

The girls' basketball team are selling Christmas Candy Grams for \$1.00 each. The grams will be given to the recipient on December 20th. If you are interested in sending a sucker gram, please see a member of the girls' basketball team.

Seniors, the office needs a wallet size senior picture for the wall collage.
