Friday: NO SCHOOL

Thursday: Michigan State Robotics Competition
Students in grades 7-11 who are interested in playing football next year, there is a brief meeting in the new library conference room today at 11:45.
Friday: *NO SCHOOL*
Michigan State Robotics Competition

Students in grades 3-11, next week is the start of our Spring State Standardized testing. While we don't want you stressed out or anxious about these tests, it is crucial that you take them seriously and put forth your best effort. Each year, the state Department of Education ranks public schools based largely on how students perform on the M-Step, the PSAT, and the SAT. Schools that rank near the bottom may risk having days added onto their school year or time added on to their school day. If we all make a point to take our time on these tests by carefully reading over each question before giving a response, we'll be all the more likely to rate high in the rankings. Your teachers have worked hard all year to prepare you for these assessments, so please do your best, for them, for your school and, indeed, for yourselves.

We believe in you, and we know you can do it. Go Wolves!!!

11th graders, on Wednesday, April 12, you will be taking the SAT test from 7:30 am until around noon. This test will be held at the Carney-Nadeau Evangelical FreeChurch, which is just one block over from our school. It is absolutely crucial that you arrive at the Church by no later than 7:30 am.

Then, on Thursday, April 13, you will be taking the ACT Workkeys assessment. This test is also from 7:30 am until noon and is also at the Carney Free Church. Again, be sure to arrive by no later than 7:30 am.

8th, 9th, and 10th graders, next week you will be taking your PSAT tests here at the school. Schedules as to when your grade is testing and where are posted by several classroom doors here in our building. Make a point to look it over.

Seniors, the office needs a wallet size senior picture for the wall collage.
