FFA State Career event/spring skills contest

Best of luck to our 4th and 5th grade students today as they take their M-Step tests. We believe in you, and we know you can do it! Your teachers have given you everything you need to succeed on these tests. Take a deep breath, carefully read each question, and give us your best.

Students in grades 9-12, today we will be taking a reward trip to the Bowl-A-Rama in Escanaba, for two hours of bowling, pizza, and pop. We want you to have fun and relieve a bit of stress from last week's testing, but we also need you to be respectful of the facilities, the employees, our staff members, and each other. Have fun but keep it under control. We're looking to do this every year, so please act in a manner that ensures we'll be welcome back.

Bus 9 and Bus 23 will be leaving our campus at 8:30 tomorrow. Students will be dismissed at 8:25. Sophomores and Freshmen, you're riding bus #9. Juniors and Seniors, you're on bus 23. We'll be back at school by 11:40.

6th grade will be with Ms. Kittaka all day today.

8th grade science will with Paul Polfus

7th grade science will be with Mrs. Johnson.

9th grade study skills will be with Ms. Jackson
