**Thursday:** HS Picnic Wells Park

Girls' Softball-Home-Stephenson at 3:30pm

**Friday:**

Don't forget to wear your "Finish Strong" bracelet for day two of our final mental health awareness week of the 2022-23 school year. High school and junior high students, we hope you enjoyed yesterday's kickball tournament, and we hope the elementary has fun today out at Wells Park. We're looking at a warm and sunny day with temps in the low 80s. It's been a long winter, but flowers are blooming, the sun is shining, and it's going to be a great week. Go Wolves!!!

High School and Junior High students are asked to please refrain from using the gate in the fence on the playground nearest the football shed. We don't want our younger kids treating that area like an exit, so we ask our older students to do the same. In the future, please just go around that area entirely when walking over to the baseball field.

Any students who don't need to take exams must stop in the office and pick up an exam exempt form. The form must be filled out, signed by both your teacher and a parent and returned back to the office.

The PTO has 3-point t-shirts for sale in the office for \$10.
