Congrats to all the FFA members on a job well done. With 89 teams competing (teams of 3, from 9 different schools), the top 10 got recognized with medals. Congrats to the following:

2nd place: Faith Maier, Veronica Lawrence-Smiths, and Jacen Maier

4th place: Addison Laurin, Kelsie Smith, and Mariska Laurila

7th place: Mason Krueger, Dominick LeClaire, and Jamaica Robertson

Congrats to Sam Salo (9th place) and Cullen Kasbohm (17th place) for medalizing in yesterdays cross country meet at North Central. Also, to Brayden Kasbohm for finishing 12th in the junior high race out of 61 runners with a personal best of 14:17.

Junior high girls' basketball players turn your uniforms into Mr. Polfus by Thursday of this week.

Students in grades 8 and 10: Today, you will be taking a practice PSAT test all morning. 10th graders will be in the HS tech lab with Mr. Cocco and 8th graders will be in the elementary lab with Mr. Polfus. Report to these respective locations for your first hour classes that day. We will have signs up informing the classes that would be in the HS lab at that time as to where they need to go.

Students in grades 11 and 9: On Thursday, October 19, you will be taking a practice SAT or PSAT test all morning. 11th graders will be in the HS tech lab with Mr. Cocco and 9th graders will be in the elementary lab with Mr. Polfus. Report to these respective locations for your first hour classes that day. We will have signs up informing the classes that would be in the HS lab at that time as to where they need to go.
