8<sup>th</sup> Grade Field Trip U.P. Association of Timberpersons, leave at 8:30am  
Varsity BBB meeting 12:15 in Mr. Mike Polfus room.

**Friday:** NO SCHOOL

**Saturday:** CC at Gladstone U.P. Finals

Students in grades 11 and 9: On Thursday, October 19, you will be taking a practice SAT or PSAT test all morning. 11th graders will be in the HS tech lab with Mr. Cocco and 9th graders will be in the elementary lab with Mr. Polfus. Report to these respective locations for your first hour classes that day. We will have signs up informing the classes that would be in the HS lab at that time as to where they need to go.

Elementary students- Thursday is hat day. Pay \$1 to Grandma Marie for this foster grandparent fundraiser.

October is breast cancer awareness month! To show our support to the survivors and families of those affected by breast cancer we ask that everyone wear pink on Wednesdays this month.
