For Friday of Spirit Week, we will be having a battle of the bands lip sync contest during 6th and 7th hour. Each class needs to pick a song and come up with a performance for their song. Songs must be approved by class advisors. See the posters in the hallway for what you will be judged on. See Ms. Kittaka or Mrs. Jenkins if you have any questions.

Attention all students, just as we did last year at this time, next week we will be running the first of four "Mental Health Awareness" campaigns here at our school. On Monday, your teachers will be handing out bracelets with a positive message printed on them, and we ask that you wear it to school each day next week. You will receive a point for your class each day you wear it, and at the end of the week, the elementary and jh/hs classes with the most points will receive a juice and donuts breakfast. There will also be other competitions by which your class can earn points throughout the week.

For a number of reasons, the holidays can be a particularly stressful time for many people, so if you find yourself feeling a bit lost amidst the costumes, candy, and celebrations, just know that you're not alone. You're in a building full of people who care about you very much and are committed to your success. Whatever you're feeling, know, too, that you'll get through it and we're all only here to help you every step of the way.

Go Wolves!!!
