For Friday of Spirit Week, we will be having a battle of the bands lip sync contest during 6th and 7th hour. Each class needs to pick a song and come up with a performance for their song. Songs must be approved by class advisors and must be 3 minutes or less. See the posters in the hallway for what you will be judged on. See Ms. Kittaka or Mrs. Jenkins if you have any questions.

Happy Friday students! Remember, next week is the first of four mental health awareness weeks. We have some fun activities planned, and we have multiple opportunities for you to blow off a bit of steam. We hope you enjoy yourselves, and do remember to wear your wristbands, which we'll be passing out during first hour on Monday, October 30. We believe in you, and it's going to be a great week.

Go Wolves!!!
