The Junior High BetaWolves had an outstanding competition in Houghton on Saturday. The drive team went undefeated in qualifications and partnered with the Silver Hornets of Troy Michigan as the first seed alliance captains in the finals. Together, they won the competition! The BetaWolves were also given a 2nd place Motivate Award, a 3rd place Design Award, and an invitation to the State Competition in December. Congratulations BetaWolves!

FFA fundraiser forms are due next week Monday, but FFA members should bring in a picture of their slips to show amounts sold so far to be eligible for prizes at tomorrow's Lunchtime PIE meeting.
