Students, our holiday themed mental health awareness week begins today. We're going to keep things pretty low key, but you will be receiving a bracelet today. Remember, you earn a point for your class each day you wear it, and the elem and HS/JH classes with the most points at the end of the week will receive a special breakfast when we return from break. Let's start the week off on the right foot and take extra care to make good choices, think before we act, and recognize our own signs when we're becoming overwhelmed. Thank you in advance for your help with this.
