Students in grades 8-11, on Wednesday and Thursday of this week, you will once again be taking a practice online PSAT or SAT test during hours 1-3. This is just practice, but since the test is going to be online for the first time ever this year, we want to make sure you are comfortable with the new format before you take the real thing in the Spring. Sophomores and 8th graders are testing on Wednesday and juniors and freshman will be testing on Thursday. Schedules indicating who goes where and when have been posted outside several high school classrooms. Please take these tests seriously and put forth your best effort on them.

The HYC and NHS are hosting a non-perishable food drive, Dec 4-15. Help us reach a goal of 1000 food items! Bring your non-perishable foods to your first hour class and students will collect and count them each day. All food will be donated to local families before Christmas!

Any boys in grades 4-5-6 who would like to play elementary basketball, see Mr. Paul Polfus.
