Students in grades 8 and 10, this morning you will be taking practice PSAT tests. The 8th grade will be testing in the elementary tech lab during hours 1-3, and the sophomores will be in the high school tech lab during that same timeframe. Please take these tests seriously and put forth your best efforts. Tomorrow, during hours 1-3, freshman will be testing in the elementary tech lab and juniors will be testing in the high school tech lab.

The HYC and NHS are hosting a non-perishable food drive, Dec 4-15. Help us reach a goal of 1000 food items! Bring your non-perishable foods to your first hour class and students will collect and count them each day. All food will be donated to local families before Christmas!

Any boys in grades 4-5-6 who would like to play elementary basketball, see Mr. Paul Polfus.
