Students in 11th and 9th grades, today you will be taking the practice PSAT/SAT test during hours 1-3. Juniors, you will be in the high school tech lab, and freshmen need to report to the elementary tech lab. Please take this test seriously, take your time, and put forth your best effort.

Students, we have received several complaints about your behavior at Shelby's gas station during the noon hour. Other patrons are saying you are being loud, rude, and obnoxious. Remember, having an open campus is a privilege, and if that privilege is abused, it will be taken away. Do better.

The HYC and NHS are hosting a non-perishable food drive, Dec 4-15. Help us reach a goal of 1000 food items! Bring your non-perishable foods to your first hour class and students will collect and count them each day. All food will be donated to local families before Christmas!

Any boys in grades 4-5-6 who would like to play elementary basketball, see Mr. Paul Polfus.
