Attention students, the office is offering a cash reward for anyone with information that leads us to find the person responsible for leaving graffiti on the walls of the downstairs high school boys' bathroom yesterday. Anyone with information is strongly encouraged to come see Mr. Cocco or Mr. Jake Polfus today. Your name will be kept strictly confidential during the entirety of our investigation.

This week is National FFA Week where FFA members nationwide join together to promote agriculture and knowing about where our food comes from. Today, our Carney-Nadeau FFA members will have hidden several paper FFA emblems around the school. If you find an emblem, bring it to the Ag room and read the facts on it to Mrs. Wehner and receive a prize. Only 1 per student.

College DE students you are to report to the elementary tech lab for your classes this week. This is due to food and drinks in the library.

Softball has extra chocolate goodie bags for sale for \$2.00.

Several items have been turned into the office from the buses that have taken teams to games.

Seniors, please email your senior and baby picture to Mrs. Jenkins for the yearbook before spring break. The office needs a wallet sized senior portrait for the class composite.
