FFA Spring Skills Contest

Clubs' choice delivery is Thursday, April 18th from 2:00-5:00pm.

3 on 3 deadline is this week.

Students, our Spring state-standardized testing continues this week. Tomorrow, the 9th grade class will be taking the PSAT test in Mr. Eichhorn's room during hours 1-3 and on Wednesday the 8th grade will take the PSAT during that same timeframe.

We also will be starting the M-Step tests this week. 3rd graders test in the morning on Tuesday, 4th graders test on Wednesday, and grades 5-6 test on Thursday morning. In all cases, please give us your A-game on these assessments. Do it for the school, your teachers, your class, but above all else, do it for yourselves. Show us how far you've come! Thanks, and GO WOLVES!!!
