Bake sale-Sophomore class fundraiser

Friday: K and GSRP Screening

FFA Spring Skills Contest

Clubs' choice delivery is Thursday, April 18th from 2:00-5:00pm.

3 on 3 deadline is this week.

Spring testing continues today with the 9th grade taking the PSAT this morning in Mr. Eichhorn's room, and the 3rd graders taking the ELA M-STEP. These test scores are the single biggest factor in the state's determination of their annual ranking of public schools so it's crucial we take them seriously and give them our best effort. The worst thing you can do, for yourself, for your teachers, and for the school, is to race through it. Take your time, read each question carefully, and just do your best.

Thanks, and GO WOLVES!!!
