**Tuesday:** Bookmobile

Wear Blue

Football meeting 9:45am in the library

**Wednesday:**

**Thursday:**

**Friday:**

Students in grades 3-11, our Spring Standardized testing begins next week. Sophomores, you will be testing in Mr. Eichhorn's room on Tuesday, April 9, and Juniors you will be testing in Mr. Eichhorn's room on Wednesday the 10th and Thursday the 11th. Please see the schedule posted outside Mr. Eichhorn's room for additional details. As a school, let's please all make a point to take these tests seriously and to put forth our best efforts. Your teachers have been working hard all year to prepare you for them, and you are more ready to succeed than you may realize. Take your time, read each question carefully, and work to your full potential. Also, let's all make a point to be extra quiet during transition periods when we're passing by rooms in which testing is taking place. We will have plenty of signs posted during testing.

Any students currently in 8-11th grade interested in playing football next year, there will be an organizational meeting at 9:45 today in the library.

The road commission is once again accepting applications for summer employment. Please see the office if you are interested in this application.

Seniors, please email your senior and baby picture to Mrs. Jenkins for the yearbook before spring break. The office needs a wallet sized senior portrait for the class composite.
