Women's Volleyball Tournament

Students, our standardized testing continues today with our 8th graders testing in Mrs. Kitaka's room during hours 1-2 and the fifth graders testing during that same timeframe. Both grades are taking the M-Step for Science. We can see the light at the end of the tunnel in terms of this year's testing. In fact, we have only three more sessions after today. Let's all buckle down and do our best and bring the year to a strong finish! Thanks, and GO WOLVES!!!

Attention to all seniors. If you have received any scholarships, please let Kelly or Jen in the office know what you received as soon as possible. The office also needs a wallet size of your senior picture for the wall collage.

Deadline for the 4 on 4 is Friday.
