Friday: Sloppy Joe on a Bun, Corn, Fruit

Monday: PTO Meeting 3:30pm

Tuesday:

Wednesday:

Thursday:

Friday: Noon Release-PD Day

Sophomores and juniors will be PSAT/SAT/Workkeys testing this week. On Tuesday, April 9, the 10th grade will be testing in Mr. Eichhorn's room during hours 1-4. Juniors will be testing in Mr. Eichhorn's room on Wednesday and Thursday during that same timeframe. Please take these tests seriously, read each question carefully, and put forth your best effort. Your performance on these tests provides us with valuable information on what adjustments we need to make in our curriculums and our test scores are the single biggest factor in the state's determination of its annual school index rankings. Our ranking has improved in recent years and we're actually only a few points away from moving past several neighboring schools. Let's keep moving forward and show the world what the Wolves can do!

The pride pick winners are Wyatt Murray, Roycen Maier, Zane DeBacker, Lilly Boggs, Brysen Marsicek, Lance Polfus and Madelynn Bardin. H.S. Parking spot winner is Kayden Street.

The Yo-Yo Sale will be extended through this week.

The road commission is once again accepting applications for summer employment. Please see the office if you are interested in this application.
