Carney-Nadeau Public School Grade-Level Benchmark Assessments

Carney-Nadeau Public School utilizes the NWEA system of assessments for grade-level benchmark testing of all students in grades K-12. We test in both English Language Arts and Math three times per year (Fall, January, March/April), the respective results of which are mailed to all families within 30 days of each test's administration. An overview of the NWEA program can be found by clicking here:

We also utilize Acadience for benchmark testing in the subject of reading for grades K-5 three times per year. For an overview of the Acadience program, please click upon the following link:
