Any classes or groups that would like to sign up for concessions, please see your advisor. You would earn a minimum of \$100 or 25% of the evening's profits, whichever is greater.

Any student currently between the age of 16 and 17.5 may pre-register to vote if you are interested in doing so. Pre-registering now means you will be automatically eligible to vote starting on the day you turn 18. It's a very simple online process. For more information, please see the Michigan Voter Preregistration Application form posted on the board outside the main office or see the school secretary and she will print you off an information sheet.
