## PM Van Route

The volleyball team won against North Central in a hard-fought game. They play in district finals tonight against Forest Park. We are going to have a pep rally at the end of the day. Please release students to the gym at 3:05.

Congratulations to the following students who are moving up to their next DRI level: Carson Johnson, Aubrey Johnson, Ashlynn Smith, Evander Buck and Roycen Maier. Otis Polfus also passed all his high frequency words! Keep up the good work.
