C Club meeting in Ms. Kittaka's room on Monday, April 7 at 8 am to plan spirit week. Bring your breakfast.

Two of our GBB players received honors for the All-UP Girls Basketball Team. Grace Maule 2nd team and Mariska Laurila special mentioned. Congratulations!

Students, standardized testing begins next week. The 10th grade will be taking the PSAT on Tuesday, the 11th grade will be taking the SAT and Workkeys on Wednesday and Thursday, and the 8th grade will be taking the Social Studies M-Step on Thursday. The 5th grade will also be taking their M-Step Social Studies test on Thursday. Look for schedules posted by the doors in Mr. Luedtke's and Ms. Laurin's classrooms. It is absolutely crucial that we take these tests seriously and put forth our absolute best efforts on them. Take your time, read each question carefully, and do not rush through these assessments. The state uses our test scores to rank our school against others in the state, and while it's unlikely, if we rank low enough, they could force us to extend our school day and/or our school year. Let's all do our absolute best to ensure that doesn't happen.

Attention students, from here on out, we will be treating any graffiti written in any of our bathrooms as vandalism and damage to public property. We will be calling the police and we will be pressing charges. Each instance will be thoroughly investigated by school officials and the police until the perpetrator is found. Just stop, or you will face significant school and legal consequences.

Seniors, please turn in your baby and senior photo to Mrs. Jenkins as soon as possible. Also, the office needs a senior wallet size photo for the wall collage.
