The Carney Legion is looking for student volunteers for its annual clean-up day, which is being held on Sunday, May 18, starting at 1:00 pm. The clean-up will take approximately two hours, and will mostly involve some light yard work. The Legion is very generous with scholarships to Carney students each year, and this is both a great way to give back and to get on their radar for future awards. Anyone interested in helping out is strongly encouraged to come speak to Mr. Cocco in the main office.
