Congratulations to the BetaWolves FTC team for an awesome performance at this weekend's competition! The team won second place for the Think award for their portfolio, documenting their engineering design process this season. The team made it all way to the finals and finished on the second-place alliance. They have been invited to the state competition for their performance. Great job, Connor Jenkins, Blake DeGrave, Jason Dudas, Jordan Dudas, Harmony Johnson, and Jimi Maier.

The Lego Robotics Green team, consisting of Easton Mellen, Deklan TeeBeest, Jamison Arnold, Sawyer Hanson, and Erich Piatt won a 2nd place Core Values Award for demonstrating excellence in the areas of discovery, innovation, impact, inclusion, teamwork, and fun!

Congratulations to Kiefer McClain, Cale Lenca and Zohye Grondine for moving up to their next DRI level. Great work everyone. Congratulations to Logan Sandahl Swenson for graduating from Progress Monitoring.
