Congratulations to Kayne Wilson, Austin Ross and Colten DeGrave on taking first place at the golf meet at Wild Pines yesterday. Congrats also goes out to Reid Corrigan, Jason Dudas, Cole Lampinen and Sam Eichhorn for being only one stroke out of the metals.

The varsity track team traveled to Bark River last night for one final tune-up in preparation for post-season competition.

Kenna Thiry picked up her first wins of the season taking 1st place in long jump and the 300-meter hurdles. Kenna's PR'd by over 1/2 a second in the hurdles, nearly breaking the school record with a time of 51.78 seconds.

Jenah Ernest was the other medal winner taking 3rd place in the high jump with a jump of 4'6".

Sammie Lawrence-Smits continued to battle, setting another personal best in the 800-meter run.

On the boy's side Conner Paquin had another successful meet setting personal bests in both the 100-meter dash and the discus. Conner's throw of 91'4.5" smashed his previous PR by over 21 feet!

Ryan Piche continued to impress by PR'ing in both the 400 and 800 meter runs for the 2nd meet in a row with James Charles and Jaxson Kleiman following suit setting new personal best in the shot put and 400 meters respectively. The team will head north, tomorrow, for regional competition at Ishpeming with a trip to the UP Finals on the line!
